Highly motivated and detail-oriented MCA student with strong foundations in web development, programming, and database management. Skilled in building interactive and secure web applications using PHP, Python, HTML, CSS, JavaScript, and MySQL. Seeking an opportunity as a Web Developer / Software Developer / Full Stack Developer to apply my technical knowledge, contribute to real-world projects, and grow in a dynamic organization.

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, Php(Basic)

Web Technologies: HTML, CSS, JavaScript

Database Management: SQL, MYSQL

Tools & Platforms: VS Code, Anaconda, Notepad++

Concepts: Object-Oriented Programming (OOP), Data Structures

Soft Skills: Team Collaboration, Problem Solving, Communication Skills, Adaptability, Time Management

PROJECTS

Smart Contract-Based Bidding System for Freelancing Platform

Python Project

OCT 2025 – Ongoing

Python, Solidity, Blockchain, Flask

- Implemented blockchain to ensure data transparency, immutability, and trust between clients and freelancers.
- Developed smart contracts using Solidity to automate bidding, project agreements, and secure payment release once work is completed.
- Client: Can post projects, review bids, and assign work, Freelancer: Can view available projects, place bids, and complete tasks.
- The payment process is managed through smart contracts funds are released automatically upon project completion, ensuring no third-party dependency.
- Created a simple and user-friendly web interface for clients and freelancers to interact with the system easily.
- Achieved a secure, transparent, and decentralized freelancing environment powered by blockchain, reducing fraud and disputes.

INTERNSHIP EXPERIENCE

Python

Rankbook learning and software solutions Private Limited

Feb 2024 – Apr 2024

Mysore, Karnataka

- Gained hands on experience with Python programming and project development.
- Improved soft skills like communication, presentation, and teamwork.
- Worked on automation and data-handling scripts during training.

EDUCATION

G. Madegowda Institute of Technology (GMIT)

Currently Pursuing MCA

Mandya, Karnataka

Dec 2024 – Present

Government College for Women

BCA in Computer Application (CGPA: 9.10)

Maddur, Karnataka

Oct 2021 – Sep 2024

P.E.S College

Pre-University Course (PUC) – PCMB(66.05%)

Mandya, Karnataka

Oct 2019 – Sep 2021

CERTIFICATIONS

- Introduction to CyberSecurity - Cisco Network Academy
- Data Analytics Essentials - Cisco Network Academy
